---

### PROFESSIONAL SUMMARY

Self-directed and motivated Front-End Developer experienced in working with Javascript, HTML, CSS and Bootstrap. Enthusiastic about collaborating with and leading high impact teams to coordinate and execute organizational goals. Successful problem solver with an innate ability to work diligently alone and with others. Seeking an opportunity to apply my studies and develop skills in front-end development.

---

### TECHNICAL PROFICIENCIES

HTML | CSS | Javascript | Bootstrap | Git | Github | Front-End Web Development | Problem-Solving | Collaboration

---

### PROJECTS

#### **Rancho Morfin - Bootstrap, Javascript**

- Used Bootstrap utilities and classes to create a modern, fully responsive and fast loading webpage.
- Code: [live](#) | [repository](#)

#### **Wildlife Rescues - HTML5, CSS3, Javascript**

- Implemented professional web page development best practices, responsive web design and mobile-first design strategies with media queries.
- Code: [live](#) | [repository](#)

#### **My Portfolio Website - HTML5, CSS3, Javascript**

- A personal website to showcase my projects and coding abilities. Utilized CSS Flexbox for layout and CSS transform for added flair.
- Code: [live](#) | [repository](#)

---

### PROFESSIONAL EXPERIENCE

#### **King City Union School District | King City, CA**

**September 2017 – June 2022**

##### **Music Teacher**

- With a team of 3, communicated effectively about managing six large and numerous small projects a year, team goals, answered questions, and divided tasks to drive project delivery ensuring performance, quality, strategy and timelines were achieved.
- Created and delivered presentations using multiple technology platforms to explain program policies, objectives, activities and procedures to colleagues, administrators and board members.
- Designed, created and implemented e-learning experiences for a diverse range of learners with sensitivity to learning styles, developmental needs and accessibility.
- Maintained a positive demeanor to foster a collaborative environment between colleagues and a healthy learning environment for students.

---
